

# Edam road closures

Cenovus Energy Inc. hereby gives notice that temporary road closures will be required to facilitate the installation of four open-cut pipeline crossings at various locations in the RM of Turtle River No. 469 as part of a summer 2026 construction project.

Construction is scheduled to take place between June 17 and July 21, with individual road closures occurring at different times within this period. All work is weather permitting.

The following locations will be affected:

- Highway 674 (Paynton Ferry Road) between Twp 490 and Twp 480 – June 17 to July 1
  - Ferry users are encouraged to use Range Road 3195
- Range Road 3202 between Twp 482 and Twp 480 – June 27 to July 6
- Range Road 3203 between Twp 482 and Twp 480 – July 6-15
- Township Road 484 between Range Road 3210 and Range Road 3205 – July 12-21

Advance signage will be installed before each closure and motorists are advised to follow posted detour signage while closures are in effect.

Detour routes may vary by location and will be marked. Local access will be maintained where possible during construction activities.

Residents in the immediate area will be notified by Cenovus representatives who will be available to answer any questions that may arise.
